Make the most of your waste cooking oil & look after the environment?

RECYCLING USED OIL

We would like to introduce our new FREE OF CHARGE service, which will help your site to:

- Dispose of your used cooking oil in a safe and eco-friendly way.
- Ensure drains are kept blockage free, avoiding additional costs for clearance or potential fines.
- Comply with Industry Legislations.
- Receive a REBATE onto your Hopwells account to use against future purchases.

Contact Arrow Oils or scan the QR code:

01706 880 796

collections@arrowoils.co.uk

www.arrowoils.com

How it works:

- When you change the oil in your kitchen fryers, place it into a suitable container, ideally the empty drum it came from originally.
- Once you have a minimum of 60 litres arrange a collection direct with Arrow Oils either by phone, email, submitting a request on their website, or scanning the QR code.
- To qualify for your rebate please make sure you mention that you are a Hopwells customer.
- Arrow oils will schedule a prompt collection of your used oil and leave you with a Waste Transfer note so that you can prove responsible disposal.
- On a monthly basis Arrow oils will notify Hopwells of the number of litres collected from your site.
- Hopwells will then raise a credit to your account of **20p per litre** collected which can then be used against future purchases.
