# Sausage Cassoulet

Slow cooked Quorn Sausages, puy lentils, carrots & caramelised red onion with a dash of balsamic vinegar & lemon. Sprinkled with parsley.

## Ingredients

20 Quorn Best of British Sausages (410095)

3 tbsp oil

15g butter

300g red onion, thinly sliced

1 tsp sugar

3 cloves garlic, crushed

200g carrots, finely diced

2 tsp dried thyme

3 tbsp balsamic vinegar

500g puy lentils, rinsed

1.5ltr vegetable stock

1 lemon, juice and zest

1 tbsp Dijon mustard

20g flat leaf parsley, chopped

100g half fat crème fraiche

Seasoning

**262 CALS**

**SERVES 10**

**60 MIN**

## Method

Step 1 - Gently heat 2 tbsp oil and the butter in a large saucepan, add the onion with the sugar and cook gently for 15 minutes until the onions are softened and caramelised. Add the garlic and carrot to the pan and cook for a further 5 minutes.

Step 2 - Stir in the thyme with the balsamic vinegar, puy lentils and stock. Bring to the boil, cover and simmer for 25 minutes or until the lentils are tender. Add more stock if the lentils become dry.

Step 3 - Meanwhile pre-heat the oven to 180°C / Gas Mark 4 and lightly brush the Quorn Sausages with the remaining oil and cook for 15 - 18 minutes or until core temperature is reached.

Step 4 - To finish the cassoulet, stir in the lemon juice and zest, mustard, half the parsley and crème fraiche. Taste and season with salt and black pepper if required.

Step 5 - Stir the Quorn Sausages through the lentil mixture and sprinkle over the remaining parsley.

Tip - green or brown lentils can be used as an alternative in this recipe.

Topping Ideas

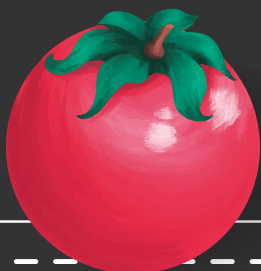

## Fresh Herb Compound Butter

Compound butter works particularly well if you are trying to spruce up a drier meat or a vegetarian patty. It is also appropriate over a juicy beef patty as well- think of a classic steakhouse using melted herb butter.

You will need:

- 1 stick butter (at room temperature)
- 2 tbsp. fresh herbs (finely chopped)
- Salt and pepper to taste

Instructions: Combine soft butter with the herbs and season with salt and pepper. Mix well and spoon it over parchment paper. Shape it as a log and roll it up with the paper. Refrigerate and slice once solid.

## Roasted Red Peppers and Feta Cheese

The flavours of a roasted red pepper get a boost from tangy feta cheese. Use Bulgarian sheep's milk feta in brine for best results - its creamy texture is superior to other feta cheese varieties and it is not chalky like cow's milk feta sold already crumbled can be.

You will need:

- Roasted red peppers (freshly roasted and peeled or store-bought)
- Chunk of sheep's milk feta
- Flat-leaf parsley (chopped)

Instructions: Pat dry the roasted red peppers from excess moisture. Arrange over the burger patty and top with feta. Garnish with parsley.

## Caramelised Onions, Dates, and Blue Cheese

Truly a decadent topping. The burnt notes and sweetness of caramelized onions are boosted by the potent candied presence of Medjool dates. The blue cheese crumbled on top provides a sharp contrasting tangy flavor that you will keep coming back to again and again.

You will need:

- 1 large red onion (thinly sliced)
- 1 tbsp. cooking oil
- 1 tbsp. brown sugar
- 1 tsp. thyme
- Medjool dates (pitted, sliced small)
- Blue cheese (crumbled)

Instructions: To caramelize the onion heat the cooking oil in a small pan over medium heat. Add the sliced onion, stir and let soften a little bit. Add the sugar and the thyme, stir and let caramelize. Top the burger patty with caramelised onions first, then add the dates and blue cheese.
