# Why it's important to have a great child friendly menu

Value for money is an increasingly crucial factor for any consumer in the current financial climate - and when you're a parent paying for multiple people whenever you dine out as a family, it's even more important.

If the children don't enjoy their experience, they're potentially wasting food and valuable funds, meaning parents are unlikely to make a return visit.

The out of home industry is more competitive than ever before and children are notoriously picky about what they want to eat, so it's important family diners can guarantee that menus offer quality food products that are nutritious whilst proving to be a winner with the kids.

Look out for our great child friendly options highlighted throughout the brochure with our icon above.

Research shows that 40% of parents let their children make the decision on food choice, rising to 51% for parents with children over 12. For parents, health plays a role, but the priorities are to ensure their children are well fed (and that they will eat the chosen meal to start with!) and that they get good value for money. - Ensure drains are kept blockage free, avoiding additional costs for clearance or potential fines.
- Comply with Industry Legislations.
- Receive a CREDIT onto your Hopwells account to use against future purchases.
- Containers available from Arrow Oils.

## How it works:

- When you change the oil in your kitchen fryers, place it into a suitable container, ideally the empty drum it came from originally.
- Once you have a minimum of 60 litres arrange a collection direct with Arrow Oils either by phone, email, submitting a request on their website, or scanning the QR code.
- To qualify for your rebate please make sure you mention that you are a Hopwells customer.
- Arrow oils will schedule a prompt collection of your used oil and leave you with a Waste Transfer note so that you can prove responsible disposal.
- On a monthly basis Arrow oils will notify Hopwells of the number of litres collected from your site.
- Hopwells will then raise a credit to your account of **20p per litre\*** collected which can then be used against future purchases.

\*subject to min 60 litres per collection.

# STOP SPITTIN' FEATHERS

I've got a succulent side, a crispy side and a juicy side.  
It's like a meatless chicken party and I've invited everyone.

## OUR BUTTERMILK (410149)

Got bread? I look my best between your buns. You won't regret it. Throw in some salad and your secret sauce, and hey presto, I add a whole new dimension to this saucy number. It's clucking amazing if I don't say so myself.

## OUR WINGS (Buffalo 410161 / Southern Fried 410162)

Meatless Mondays? All out vegan? Flexitarian? I don't give a flap. All I know is that no feathered friends were used in the making of my crispy, golden wings. Three different coatings, three ways to slay your buffet.

## OUR FILLET (410156)

To all you bird flippers, why not fry me on your heavy metal. I'm king of the kebabs or pride of your pies, I'm unmistakably tasty. What's more, I'm so convincingly thick and tender, I bring the caveman out of every vegetarian round the table. Beast mode.

COME ON, YOU KNOW
